How can you connect with and support the people of Baguia, East Timor?

The **Friends of Baguia** is a community group based in the City of Stonnington who have formed a friendship with the people of Baguia to increase cross-cultural understanding and support development opportunities. Baguia is a sub-district comprising of small villages in a remote mountainous area of East Timor. Any financial support that you can give will make a big difference to the lives of these people. **Consider the beneficial impact that one of the modest amounts below will make.**

- \$20** Will employ a carpenter to **build a school desk** so that children are not sitting on a dirt floor while trying to learn. It could also buy a volley ball to give them great fun together during recess!
- \$50** Will provide a **High School Scholarship** ensuring the ongoing education of one student for a year.
- \$100** Will **support two Kindergarten Teachers for a month** and ensure village children have access to Pre-school learning.
